For full details on how to carve this bird, watch the YouTube live streamed video on the Carbatec Youtube Channel - streamed 9.1.2021 and titled **'Woodcarving with Olivia O'Connor - Giving Wings to Off Cuts'**.

1. Find yourself a scrap of timber that carves well!
2. Cut out the bird template below and trace onto timber (print onto A4 paper).
3. Cut out the design using a coping saw, bandsaw or scroll saw.
4. Secure carving using the 'paper chuck' method or with some good double sided tape.
5. Get carving!
6. Oil.
7. Fly away little birdie!

Please note: the design of this bird has been gifted to you by Olivia O'Connor for your personal at home use only. The design, template or finished carvings made as a result of this design/template are not to be sold, distributed or published without the prior written consent of Olivia O'Connor.
